The list of officers, who attended the meeting is appended at Annexure - I

At the outset, Principal Secretary (Planning & Investment) welcomed the members attending the meeting and asked for their valuable suggestions and comments during the course of discussion. He suggested to give stress over infrastructure development, connectivity, health, drinking water supply & education sectors in the border areas. He specially asked all the districts to submit the Geo – Coordinates of the border villages along with Altitude for exact mapping of the villages for further necessary action in a time bound manner. He mentioned that concerned Deputy Commissioner will be solely responsible for correctness of the data. He further, asked the Deputy Commissioners to submit iconic / innovative projects for the border areas for further consideration.

The Chief Secretary-cum-Chairman SLSC on BADP while welcoming the members emphasized for infrastructure development in the border areas to meet up the aspirations of the people residing in border areas by selecting viable projects. He further suggested that all the concerted effort should be put to improve the living conditions of the border population by preparing composite village plan as per actual need in a time bound manner. He suggested to use prefabricated material for construction of buildings for timely completion of projects, where ever it is feasible.

Detailed deliberations on the agenda items were held and the following decisions emerged in the meeting :-

*Name of the two blocks : Zemithang Dudungkhar and Hawaii Walong block bordering two International Boundary i.e. Indo – China & Indo – Bhutan and Indo – China & Indo – Myanmar respectively.

Decision : The projects proposed by the concerned Deputy Commissioners were discussed threadbare on the presentation made by respective Deputy Commissioners / District Planning Officers, the Annual Action Plan was accepted with certain modification against specific projects. The Chairman advised respective districts to propose alternative proposals in lieu of proposal submitted under Agri & Allied Sectors. The Agri & Allied Sectors projects may be submitted to the concerned line departments for taking up under State Sector programmes. It was decided that all the proposals for porter track / patrolling route shall be verified by the ITBP to ascertain the necessity of the project. ITBP will depute their team for physical inspection and on the basis of their report the projects for improving porter tracks shall be considered. The districts shall submit alternative projects against the proposals which was not considered by the SLSC. The Chairman asked the representative of Tawang District to prepare a master plan for Model village namely Mago and submit the same in a fortnight.

Contd...P/3

The proposal will be physically verified by Director (Project Co-ordination) before submission to the Government for further consideration. The Chairman suggested for preparing a master plan, a indoor sports complex shall be considered for all the border blocks to encourage the sports activity in the border areas. While taking part in the discussion the Commandant, ITBP informed about sluggish progress of some of the security related projects taken up under BADP in previous years and the SLSC took it seriously and directed the respective Deputy Commissioners should personally visit the project sites specially those schemes which are important from security point of view and submit report in. The Report should be submitted by end of October'2019. The ITBP was requested to prepare a master plan for staging hut / shelter etc. on patrolling routes for taking further necessary action. The BADP projects should be put on e-samiksha portal for regular monitoring of the progress. He directed the DCs to select a village in the border blocks of their districts for development as a Model Village with all basic amenities. District wise BADP Plan as approved is at Annexure.

Agenda No. 2	Status of Vivekanand Kendra Vidyalayas (VKV) projects
--------------	---

Decision : The Chairman expressed his displeasure on sluggish progress of VKV projects taken up under BADP. He directed the Deputy Commissioners for regular monitoring of the projects to ensure completion of the same in a time bound manner.

2.2 Considering the physical progress of the projects the available fund of Rs.974.7911 lakh (Rs.877.3111+Rs.97.48 lakh) is proposed to be allocated in the following manner :
